

## PRESS ALERT

### Cricket Groundsman Get New Equipment

Cornwall Association of Cricket Groundsmanship have been awarded a Groundsman Trailer with machinery and equipment to help assist the members of their Association. This trailer with machinery is to the value of £11,500 and also comes with a budget of £3,750 over the next year years. The trailer is the success of an association set up to try and raise the standard of cricket club playing facilities through increased knowledge and sharing of good practise for all groundsman in Cornwall.

This project has been developed in conjunction with Channel 4 and Turfcare Limited to provide County Groundsman Associations with a machinery trailer system that can assist clubs in the standards of pitch provision.

Tim Marrion, Cornwall Cricket Development Officer said that this is a great new initiative for the county that has come from the good work of a number of volunteers who have established the association and held workshops locally for groundsman to improve the standard of local cricket grounds.

Anyone interested in joining Cornwall's Association of Cricket Groundsmanship or interested in using the trailer at their ground should contact Keith Goldsmith on 01579 346248 or Tim Marrion.
