Registration and member database - Administration rights

- You need admin rights to your club's site to be able to update details – an existing admin must grant these

Registration and member database - Administration rights

- Set required drop-down(s) to Apply – Main rights contain the others anyway, so if using that, ignore the rest – then Save

	status	start date
Member of the Website	Active	19/5/2006
<i>Registered (or linked) to the website in question.</i>		
Main Administrator	<input type="text"/>	Can update and change every area on the website, including changes to the database.
Fixtures Administrator	<input type="text"/>	Can create, modify and remove fixture details
News Administrator	<input type="text"/>	Can create and manage news articles
Results Administrator	<input type="text"/>	Can create and modify match results

Save **Undo**

Registration and member database - Administration rights

- Changes to 'pending'. The person given the rights gets an email telling them, and they then must login to activate the rights
