ECB new ruling. In 2009 all clubs in the Premier League must have FULL scorecards available for viewing within 72 hours following the match.

All League Clubs are reminded of the following **new CCL rule:**

The home club is to enter the match result and bonus points online at their Club's play cricket website within 48 hours of the match being played. The away Club is then to confirm the result online at their Club's Play cricket website within 96 hours of the match being played in order to verify the result and points input relating to the match. Bonus batting and bowling points are input by Clubs whilst match result points are automatically calculated by the input of the result on the Play cricket website.

In addition to the basic summary scores all League clubs are encouraged to put up leading performances (in the highlights section) but preferably their full scorecards, which only takes a few minutes. This will trigger the free online stats package for your club. All league fixtures have all been uploaded for you, by the CCL play-cricket administrator. Play-cricket will become the sole online source for league results in 2009.
