# Cornwall Coach's Association 2011 / 2012 Winter Coach Education Programme

If you are interesting in becoming a qualified cricket coach for your local cricket club, school or even for a career you will need to gain the appropriate qualification. Cornwall Association of Cricket Coaches in 2011/12 is only delivering the Lead Coach qualification UKCC2.

The CACC is to hold a Pre Course selection Day on the 1<sup>st</sup> October where the CACC will identify the right coach for the right course, reflecting coaching ability and need within the club. As an applicant you will be expected to attend this day. The reason for this is to help coaches into coaching and make sure we are not having coaches attend courses they are not suitable for. This ultimately saves the club or individual time and money.

The course dates, venues and times are listed below to aid your planning.

As part of the coaching qualification you will need to have attended the First Aid and Safeguarding Child Protection courses prior to attending. These are prerequisites for attendance and qualification for both courses. You will not get on the course without attending or evidencing booking onto the named courses. Please contact Cornwall Sports Partnership on 01872 323344 and speak to Rob Harrison to book onto the next available course.

The CACC is continually looking for improvement and delivering quality coaches to work back into the club coaching environment, hence the need to identify the right coaches for the right courses.
