

TWENTY-FIFTH FESTIVAL : AUGUST 2011

WELCOME to the celebratory 25th Festival, something we could never have imagined reaching as we met for the first time in a darkened room on 16th February 1987! It has been a delightful, 'rollercoaster' ride through the full spectrum of weathers and numerous challenges, nearly all of which we have come through smiling and able to marvel at the exciting cricket being played by a generation or more of our young cricketers. If you are new to the Festival, we are sure you will enjoy the camaraderie, make new friends and leave with some great memories.

St Austell beat St Gluvias in the 'main' Under 16 Final in 1987 and those clubs, together with visitors from Devon, London and Birmingham, will be looking to challenge again this time. Two great innovations have been introduced for your enjoyment, too, with FLOODLIGHTS in the thrilling Under 17 tournament and double-scoring "MAX" zones for the U13s and U15s. Have a great week!

Mark Mitchell (Chairman, CYCF)
